M E E T OUR LEADERS

SANJEEV KUMAR

SANDEEP BHARDWAJ

Mr. Sanjeev Kumar and Mr. Sandeep Bhardwaj have been close associates since 1993, forging an unbreakable bond from the very beginning. Their mutual understanding and shared vision have remained steadfast over the years.

In 2002, they co-founded M/s SS Projects, a partnership firm that quickly earned a reputation for executing numerous prestigious projects for renowned companies. Under their leadership, SS Projects has transformed into a quality-focused construction powerhouse. Their team continues to expand with seasoned professionals from the construction industry, all dedicated to deliver superior construction and timely project completion.

Over the past 2 decades, M/s S S Projects has achieved remarkable growth and steady expansion. The company has successfully undertaken and completed a wide range of high-profile projects, including industrial projects, commercial complexes, institutional buildings, malls, group housing societies, roads, residential projects, Villas and Farmhouses. These projects often involve intricate

foundations and heavy steel structures, showcasing the company's engineering prowess.

The company prides itself on its qualified and trained staff, who enforce rigorous quality checks at every stage of project implementation. This commitment to excellence ensures the delivery of top-tier construction. M/s S S Projects boasts a skilled workforce of engineers, technicians, and labor, essential for the successful execution of projects. The company is well-equipped with state-of-the-art construction hardware, including tower cranes, plants, equipment, shuttering materials, and advanced workshop and lab facilities. Furthermore, their robust financial resources and meticulous purchase system guarantee the procurement of high-quality materials, ensuring the highest standards in construction.

VISION

SS PROJECTS is to be the leading construction company known for transforming innovative ideas into remarkable structures.

We aim to set new standards in the industry by embracing sustainable practices, advancing technological innovation, and fostering a culture of excellence and collaboration.

We aspire to build a future where our projects positively impact the environment, enrich communities, and inspire future generations.

By prioritizing quality, safety, and client satisfaction, we imagine a world where our contributions create lasting legacies and drive progress in the construction industry.

MISISON

Our mission is to build high-quality, innovative, and sustainable structure that enhance the lives of our clients and the communities we serve.

We are committed to delivering excellence through every phase of the construction process, from initial concept to completion, ensuring the highest standards of safety, integrity, and craftsmanship.

By fostering a collaborative environment and investing in cutting-edge technology, we strive to exceed our client's expectations, create value for our stakeholders, and contribute positively to the built environment.
